

# General purpose snips

D48A-2 combi-snips – multi-purpose comfort with angled edges.

The D49-2 Electricians' scissors – for multicore cables with diameter up to 10 mm.

**Universal range of services – and applications**

**These versatile multi-purpose snips are equally at home in the toolbox, kitchen gadget drawer or garden shed. Always and everywhere. The hard stainless steel blades are well suited both for cutting thin metal sheets as well as a variety**

**of soft materials such as paper, fabrics and cardboard. Also works well for cutting flowers and light pruning. The handles are plastic with a soft cushion insert for comfort and to prevent slipping. Ergonomic design makes this snip a pleasure to use!**

# Multi-purpose cutters
